CASH TRADE CARD INFORMATION

Your Trade Card entitles you to cash purchase building materials at trade prices. There are, however, certain lines which will not attract any discount. Examples are as follows:-

- Special Offers and items currently reduced in price
- Nett priced items where further discounts are not possible (details available at point of sale)

Your Trade Card may be used at any department in any of our depots and should always be produced at the point of sale prior to commencing the transaction. Locations and telephone numbers of our depots will be sent to you. Should you request a quotation, either in person or by telephone, always ensure the sales staff are aware that you are in possession of a Trade Card so your discounted price may be quoted.

Within the Cover group we have a wide range of experience and expertise and our Sales Staff will be pleased to assist you on any enquiry. Our Sales Office Staff can source items that we do not stock or are 'one offs' and look forward to a challenge.

Should you require any further information, please contact your local Depot Manager.

A Trade Card does not entitle you to purchase on credit. All items must be paid for in full before they leave Covers' premises and deposits may be required for special orders. Covers reserve the right to withdraw or alter the terms of your Trade Card without notice. Your Trade Card is for your benefit only and is not to be lent or given to any other person.
